"I had shore leave but I was in the most remote area I've ever been. And then somehow, I heard an American song..."

Dear Mr. Sample,

For months you've been stationed with the American Fleet in the Persian Gulf maintaining the No-Fly Zone over Iraq. You're about to go stir-crazy when the captain announces a brief shore leave for the ship to re-provision. You're ready to jump for joy when you find out there's a catch...

You're not allowed to leave the immediate port area because the Middle East situation is still too volatile.

You're not about to pass up a chance to get off the ship, so there you are -- standing on a dock in the Middle East with nowhere to go. But then you see this truck pulling around the corner -- it's a USO Mobile Canteen!

It parks and USO volunteers and staff open up the side panels. The next thing you know, music is playing and you're so caught up in the action that you realize you're singing along. There's a big screen TV for movies and videos, giant speakers to carry the sound, a soda fountain, popcorn and even hot dogs. (You wonder where they found hot dogs!)

You can't believe it -- there's even a small stage and a comedian from a USO tour starts razzing some of your buddies with the funniest stories you've ever heard.

The day ends and it's time to get back on board your ship. The USO Mobile Canteen packs up and the dock returns to normal... but you leave with the feeling that it's the best day you've spent in a long time.

Mr. Sample, the USO Mobile Canteens are just one of the many programs your gift of \$30, \$40 or \$50 supports. For service men and women stationed in lonely bases -- or for those who receive only brief leave -- USO members are

The USO receives absolutely no funding from the government -- volunteer contributions from generous donors like you are the only way we can continue to deliver services to more than 4.5 million American military men and women and their families.

And the USO is as mobile as our troops!

Our Mobile Canteens travel to remote areas where there are no services available for our troops. These vehicles expand the USO's ability to bring a "touch of home" to our men and women in uniform. Right now, three units serve the Persian Gulf, Europe and Korea.

But we need your help to continue to maintain, outfit and transport these vehicles to our troops in out-of-reach areas.

In unstable regions where it might be dangerous to mix with the civilian population, the USO Mobile Canteen provides a safe haven for our troops to go for recreation. Your gift helps the USO continue to maintain secure areas where service members can take a break, participate in sports and activities... or simply spend time with their fellow Americans.

Your tax-deductible donation to the USO helps us continue to bring that special "touch of home" to our service men and women stationed at remote and isolated outposts.

Thank you for your continued support,

Chapman B. Cox
President, World USO

P.S. The escalating need for USO services by our troops monitoring the No-Fly Zone over Iraq has put new demands onto our vehicles and increased the maintenance costs. Your gift -- however large or small -- will help us continue these vital services to our troops in out-of-reach duty stations.

YOUR GIFTS TO THE USO WORK HARD!

- ★ While our troops were stationed in the harsh conditions of Somalia, the USO established a 24-hour center in Mogadishu and conducted celebrity tours with country singer Clint Black, *Major Dad* star Gerald McRaney, and several professional sports stars.
- ★ In Tel Aviv, Israel, the USO provides morale-building programs to our service members with the Mediterranean Fleet who help maintain the No-Fly Zone over Iraq.
- ★ In Baumholder, Germany (one of the large staging areas for troop transfers), USO Family and Community Centers help military families adjust to their new surroundings.
- ★ The USO Comedy Tour visited remote American outposts in the North Atlantic such as Keflavik, Iceland, and the USO R&B tour travelled throughout the Caribbean including a stop at Guantanamo Bay, Cuba -- one of the loneliest posts for any service member. These are just two of the many well-known Entertainment Shows that bring love and laughter to our troops.
- ★ During the December holiday season, the USO delivered over 10,000 greeting cards and gifts from USO supporters to our troops stationed around the globe.

The Farthest Reaches Can Still Be Touched By The USO!

Dear Chapman:

I want to help the USO reach our lonely service men and women who are guarding our freedoms in far-off stations. Here's my gift to the USO to help continue bringing a "touch of home" with services such as the USO Mobile Canteens:
